EDUCATION

- B. E. Computer Science**  
PSNA college of engineering and technology  
2021-2025 CGPA: 9.05 (upto 5th sem)
- Class XII**  
Grace matriculation higher secondary school  
2020-2021 Percentage: 94.8
- Class X**  
Grace matriculation higher secondary school  
2019-2020 Percentage: 95

SKILLS

- JavaScript
  - Node Js
  - Express Js
  - React
  - Java
  - Git
- My SQL
  - PHP
  - Figma
  - Mongo DB
  - HTML & CSS
  - C C++

CERTIFICATIONS

- SQL Basics from ORACLE
- IEEE XTREME 17.0 PROGRAMMING
- ARTIFICIAL INTELLIGENCE - JAVA
- WAMP course from CSC
- AR VR IEEE PROGRAMMING

CODING PLATFORMS

- Geeks For Geeks
  - Code Tantra
- HackerRank
  - Leet Code

INTERNSHIP

I completed web development internship at octanet,topperworld and done small projects which I rendered using github.

SUMMARY

Ambitious Computer Science Engineer pursuing final year,with solid foundation in computer science principles,programming languages,full-stack development skills.Proficient in full-stack development with a keen interest in leveraging emerging technologies to drive innovation and enhance project outcomes.

RELEVANT COURSEWORK

Computer Networks , Database Management and Systems  
Operating Systems, Data Structures and  
Algorithms , Object Oriented Programming

ACADEMIC ACHIEVEMENTS

- PROJECT EXPO  
Got second prize under app development. -2023
- BIZNXT QUIZ: Got second price under Quiz.-2023
- POSTER PRESENTATION: Got First Prize - 2024

PROJECTS

- 

**Ecommerce Platform using MERN**

Dec 2023

An Ecommerce website developed usng MERN with frontend,backend and admin panel.
- 

**Spotify prototype**

Jan 2024

A spotify prototype is developed using figma (ui/ux)
- 

**Chat Application using MERN**

Mar 2024

Developed a Chat Application in which users chat among themselves using a backend server (Built with MERN) and deployed in Render platform.
- 

**App development using REACT NATIVE**

Apr 2024

Developed basic projects like Goals App,BMI Calculator, Imperical to metric conversion system and deployed it in expo platform.
- ACTIVITIES**

  - Dynamic event coordinator with a proven track record of orchestrating diverse events, adept at multi-tasking roles such as emceeing, participation, and coordination which enhance my communication and leadership quality.
  - And I have solved many problems on GFG , LeetCode , Code Thantra which enhance my DSA and Coding Knowledge
